The Journey

DAY 1

St Tropez and Porquerolles islands

The name "Saint-Tropez" evokes images of sunbathing celebrities, designer boutiques, and luxury yachts. It is hard to believe this glamorous town was once just a humble fishing village. Enjoy lunch in one of the famous and trendy private beach clubs such as Nikki beach or Club 55 on the vast sandy beach of Pampelonne. Spend a relaxing afternoon on Pampelonne beach or discover one of Saint-Tropez vineyards. The region of Saint-Tropez is famous for its locally produced wines. Several vineyards located around gorgeous estates offer property tours and tastings. Enjoy dinner at the sumptuous 5-star Chateau de la Messardière, which offers a terrace with views over the bay of Pampelonne. Situated just off France's Mediterranean coast, after Saint Tropez, Porquerolles is a little corner of paradise. In the north, three superb beaches offer fine sand and the coast here slopes gently down to sea which is exceptionally clear. In the south, vertical cliffs rise out of the sea, from this steep relief, you can see a series of calanques, rocky points, gorges, headlands and hills. You can admire this wild and majestic landscape from the lighthouse built in 1837 where there is a 360° view of the island and the sea... it's breath-taking! In the interior, there is a mosaic of vineyards, olive trees and fruit trees of all variety... lemons, oranges and mandarins. The paths are bordered by pines, eucalyptus and numerous plantations, courtesy of the Conservatoire Botanique. Don't miss a fabulous lunch on the terrace of the Mas du Langoustier!
